Welcome

Please join us for our annual Basketball Coaches Clinic on Sunday, September 19, 2010, at Wheeling Jesuit University in Wheeling, WV. In addition to providing basketball coaching instruction at the highest level, the goal of our clinic is to promote Coaches vs. Cancer, to help fund our undergraduate cancer research program at Wheeling Jesuit University and to provide an OVAC scholarship for a senior son or daughter of a full-time OVAC boys' or girls' basketball coach.

We have assembled an outstanding faculty to address coaching philosophy, player development, offensive and defensive schemes and special situations. Our faculty includes some of the brightest and energetic coaches in the country to include John Chaney and Vivian Stringer (both Naismith Hall of Famers), Bob Huggins, Mike Rice and Joe Mihalich.

We are grateful for the support of Championship Productions, Inc. who will be filming and distributing this year's clinic and Dixie Sporting Goods.

We look forward to seeing you and your staff at the clinic.

Sincerely,

Doc Merrick
Danny Sancomb
